D-A-S Awarded \$2.8 Million Contract to Build Brooklyn Corporate Center

Cleveland, October 2, 2002 — D-A-S Construction Co. was awarded a \$2.8 million contract to build Brooklyn Corporate Center for Brooklyn Corporate Center LLC.

D-A-S Construction Co. is the general contractor for the project, which includes the ground up construction of two flex space buildings on Northcliff Avenue at the corner of I-480 and Ridge Road in Brooklyn, Ohio. Construction consists of a conventional building type comprised of a combination of masonry wall bearing and steel frame construction with bar joist and metal deck. The project will be completed in just 22 weeks and will support office and warehouse applications. When finished, building “A” will total 32,350 square feet and building “B” will total 42,694 square feet.

James G. Herman of Herman Gibans Fodor Inc. - Architects is the project architect.

D-A-S Construction Co., located in Garfield Heights specializes in commercial construction. For more information visit the D-A-S Construction Co. web site at <http://www.dasconstruction.com/>.
