**D-A-S CONSTRUCTION CO. PROMOTES
JEFFREY SCHROLL TO VICE PRESIDENT OF OPERATIONS**

Cleveland, May 5, 2008 — D-A-S Construction Co., one of Northeast Ohio's leading commercial construction companies, today announced the promotion of Jeffrey Schroll to Vice President of Operations.

Mr. Schroll joined D-A-S Construction Co. in 1991 as Superintendent and has held several key positions during his career with the company including Project Manager and Senior Project Manager. Most recently in 2000, Mr. Schroll was promoted to Director of Operations and made a member of the company's Management Team. As Director of Operations, Mr. Schroll served as the senior manager in charge of the company's Project Management Department, Field Operations and the Select Projects Group.

As Vice President, Mr. Schroll will continue to develop the operational structure necessary to meet the strategic initiatives of the rapidly growing company and expand his responsibilities to include the management of D-A-S's Safety and Purchasing Departments.
